1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 10/23/97, John W. Schneller requested an extension of time for ONE MONTH(S) and authorized the Commissioner to charge Deposit Account No. 19-3700 the required fee of \$540.00 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

~~Insert as~~ Page 42 the following Abstract:

Art Unit: 1805

3. The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

The photocopy of the Declaration in the application is so poor as to obscure or delete essential text of the Declaration, obscure the Serial Number of the British priority document, and obscure the signatures and other information concerning the inventors.

The Terminal Disclaimer filed 9/29/97 is acceptable and has been entered.
